20 Years of True Blue

Catch the Spirit . . .

THE SPECTRUM
NORCO SENIOR HIGH
NORCO, CALIFORNIA
VOLUME 20-1987

1987 marks the twentieth anniversary year since Norco Senior High began. Some current Norco teachers remember being the first to teach at the new school which had branched off from Corona Senior High. The first year, the school only enrolled freshmen, sophomores, and juniors. The graduating seniors continued at Corona. The following year, Norco graduated its first senior class. While work was in progress, students shared classrooms at Norco junior High on a splir schedule. Phil Donahue was the principal then, over a much smaller campus. Classes were held in the B wing. Then later, many of the comforts we now have were added. In these twenty years, Norco has matured and gained a reputation as a fine school, both academically and in extra-curricular activities. Staff and students who come here to educate and to be educated, acquire the legendary Norco Blue Pride. They then pass this on to incoming students and staff. The 1987 yearbook class has decided on a theme for 1987 to reflect that pride and striving for excellence in all we do. Norco Senior High; we salute your twenty years of True-Blue pride - catch the spirit!

ADMINISTRATION

Norco Senior High has a new administrator this year, principal Mrs. Maggie Little, who came here from her previous position as the principal of Raney Jr High Since we are in an accreditation year, Mrs. Little's schedule has been quite full. However, she is blessed with an excellent staff of vice-principals and secretarial help to assist her, Mr. Bob Brew, Ms. Karen Pylman, and Mr. David DiPaolo. Our previous principal, Mr. David Long, and vice-principal Mr. Lenny Elkins, had both accepted other district positions. Mrs. Little is making every effort to maintain the high Norco standards we have come to expert at a way with her well.

SECRETARIES

Some dedicated, but unsung employees of our school work in our administration office. These are the school secretaries, clerk typists, attendance clerks, receptionist registrar, and nurse. Their cheerful presence is often the first impression that visitors to our office receive, and their consistently helpful friendly attitude generates praise and goodwill from members of our community. We do appretitate these charming ladies for all their efforts to "make our day"... more pleasant

SOCIAL STUDIES

The Social Studies department of Norco High endeavors to inform students about past happenings of world events and their relationship to events today. The classes also cover the study of the world political systems, and in particular, the government and economics of our own country. These social studies prepare our students to intelligently take their place as responsible citizens in the adult world

BUSINESS/WORK EXPERIENCE

LIBRARY/CAREER

Our school library is the busy hub of many school activities. Librarian, Mrs Nancy Ca at i, and her assistant, Mrs. Donna Troxel, manage not only all the usual library services, but also maintain the growing AV department, servicing the entire school with VCRs, projectors, tape players, and other AV equipment Within the library suite are the textbook room, a work-experience office, and a computer-zerox cerrer. Our library is not a cold austere place, but a warm and interesting area, conducive to learning.

The Norco High Career Center is held up to other schools as a model, encompassing all the latest technology and equipment for career assistance. Run by career center technician, Mrs. Joan Hall, the center offers relevant up-to-date information on careers, military opportunities, colleges, graduate and professional schools, and available financial aid programs. Free computer printouts of this information is also available to assist the counselors in helping students compile useful career plans.

HOME ECONOMICS

Home economics is more than a piece of cake. The classes consist of sewing, interiors, clothing, budgeting, child care, foods and nutrition, and survival. One class "On Your Own", helps students learn the problems of married life or bachelor living, and of caring for children. The class creates a mock wedding, complete with preparations, the ceremony, and reception. The students also experience the responsibilities of parenting, as they care for, nurture, and protect their new-born "babies" (actually fresh eggs).

Fop right I'll get that measurement right this time; center left home economics teachers Janet Griffith, and Myrna Swearingen, center right Jim and Erin - did the bubbly die bottom seft. Here we go loop de loop . . , bottom right. Look out, Pat Harlow!

MR. DAVID LONG, PRINCIPAL NORCO HIGH SCHOOL-1976-86

Mr. David Long served as vice principal and then principal at several junior and senior highs before settling in as principal at Norco Senior High from 1976 - 1986. Dave was responsible in great part for the campus beautification program in which formerly barren ground became lush and green with flowers, shrubs, and trees. He also encouraged students, parents, and teachers to participate actively in their school During his tenure here at N.H.S., the school has improved, both in appearance and academically. The anniversary issue of the Norco Senior High yearbook, The Spectrum is dedicated to Mr. David Long, Esquire

ORGANIZATIONS

Campus clubs are the glue that holds the student body together. Joining with other students in a common interest, not only fulfills one's desire to engage in a favorite activity, but also affords the opportunity to meet new friends who share that interest. Norco High has a club for nearly every interest from sports, through academic subjects to social and service organizations. Students who join campus clubs find their horizons broadened and their lives enriched through our NHS clubs.

Michigan aparted of the Sert Dat

The House of Representatives is made up of two students from each third period class. A representative and alternate are selected from each class to represent their class for school activity planning. The purpose of the club is to allow all students on campus have a voice in school policies, activities, and improvements Items of concern are brought up, debated, and voted on at the monthly meetings. The ASB then takes these items under consideration and resolution. After having made a decision on the matters, the ASB, as the hason between the students and the administration, presents the will of the students to the administration for action

The Inter-Club Council, or ICC, is made up of presidents of each of the clubs on campus. At their meetings, the club presidents are told of planned activities and fund raisers. The activities are discussed and plans are made for club participation and cooperation. The presidents then relay the information to their club members. This is just one more way that NHS makes special efforts to combine the many facets and talents of our students to show Cougar pride.

The Senate committee is made up of students who volunteer their time to assist in promoting and improving activities on campus. They work closely with the other ASB groups as a liason and advisory assistant on any matters of importance to all

The California Scholastic Federation or CSF is comprised of students who have maintained a 3.5 GPA regardless of grade level. Sponsors are Mr Bart Price, Mr Bob Tengen, and Mrs Lois Mulvi hill The membership this year is almost 100 members. CSF members receive the benefits of UCR abrary privileges and automatic partial scholarships at over 42 colleges and universities. Service activities this year included tutoring and a teacher recognition day. Fun activities involved members attending CSF Disneyland Night, and CSF Southern Sections Conference at Oceanview High School

The Forensics Society, a new club on the Norco campus, is a speech and debate club. The members involve their selves in various speech contests and activities, among which are the immual Lions Crab speech contest, the Academic Decathlon, and the Mock Ir. I a.v. The purpose of the internal selves to become more fluent public speakers. Sponsor for the initial is Ms. Leean Bitterod.

The Norco Blue Diamond Bigade has had spirit and pride throughout the year. Not only do they perform at NHS football and basketball games, they also perform at various concerts in Southern California. The Brigade also performs assembly programs at NHS and at the local elementary and Junior high schools. We at NHS are proud and fortunate to have such an outstanding Band. The band is led by Mr. Ben Newton.

The pase top har to some a second sec

The Norco choir has expanded this year to three different groups, the concert choir, the New Generation pop choir, and a new group called the Time Machine. Each choir has a different emphasis, and they entertain with all types of music to suit every taste. The choirs are directed by Mrs Janet Parks, and are open to anyone who loves to sing. The choirs joined in a Christmas presentation featuring each of the groups separately, and then in combination to entertain the audience

Fup formally gowned and suited, the bingers entertain their parents and guests at the Christmas concert, center left. I'm one of Santa's elves Would you like to talk to Santa's center right Mattha Alvarez singing a sweet old Christmas carol, bottom, the entire choir sing in unison.

The choirs engage in various activities during the school year. Among these activities are concerts given at local schools and churches. The choir performed also at the annual Christmas festival concert at school, and joined in singing out on the quad with grade school children in front of our Santa's village during school hours for the enjoyment of the entite school. We apprentiate their efforts and time given to bring us the joy of music

Da to the cross Carrie Rossell and Christs Hansen center the cross of any phranging his very own song!

THEATRE COMPANY

THESPIANS

The NHS drama department encompasses not only the drama and stagecraft classes but also a full-fledged theatre company, and as of last year, a registered Thespian Society Norco drama students enjoy these activities, and become totally involved in the production of several plays each year. Their offerings range from comedy to serious drama, and even an occasional variety show. The fall production this year was the drama Alone Together, a story of a middle-aged couple whose chadren have left home, but are now returnate to the parental home Teacher and drama coach, Ms. Laurel Goodhue sponsors both groups and is a continuing inspiration to her students and the NHS staff.

Opposite page, top left. He ho! He ho! It a off to class we go, top right. Fine and Boan study their lines, center left, the cast of Alone I wither relicious after hours, center right, the drama students vie for the spoti g! I were left. Kirk Scott in a persise mood, lower right. Yes, we are a whole theatre company thing, here "This page, upper left, drama a people demonstrating "The Method", center left. The spain ifficers. Tony Masters. Debbie Lawrence. Brain Schoeffle and Bobby. Manger in a light moment, center right, drama coach, Ms. Laurel Goodbue points to Thespian president, Kirk Scott, who smiles mod estly, bottom left. Whoops! Back to heavy emoting ... "To be or not to be Is that the question, Ms. Goodbut.

The Girls Legal is a server of and of the cated to helping our solon and the confidence of the cated Thanksgive, for the signal of the same of the cated to needly family the same of the category of the cate

Control of the State of the Sta

Norco High's Spirit Club carried on the NHS tradition of Blue Cougar pride through 1986-87. At the football games, the three "wild men" of the Spirit Club, Bubby Mauger, Sean Bafford and David Hinson showed up at each game in their painted blue and white faces, weating their cheerleader 'skirts over white sweats with "GO NORCO" stenciled on their rears. Using their megaphones, they utged the crowd to yell for victory, directed "The Wave" several times, and occasionally startled the rooters by flapping the infamous "RAH" toilet seat Way to go, SPIR IT"

The purpose of the Science Club is to encourage interest in exploring the scientific method of research. Students enter their science projects in the county competition to bring more honor to our school, Mr. Peyron, Mr. Malicay, Mr. Pomeroy, and Mrs. Morgenstern all encourage their students to push their minds and imaginations to the fat reaches of science in their projects.

Top right display boards help present the project exhibits, center left. What is science without the proper tools of the trade?, center right. Let's see now the time temperature in all he "flower left. O.K. Mr. Pomeroy, ho old it ... O.K.", lower right research. Results. Conclusion ... all through proper scientific research.

The Norco High Runners Club, sponsored by Coach Ben Gonzalez, is made up of any students interested in running, whether it is cross-country, track, or simply jogging. The club has fund-raisers such as a pizza night, or other activities to raise money for additional track equipment. Many of our NHS cross-country and track athletes are also members of the club

Top etc. Notes runners and the discenter etc run erseman point. If as his discontant a center right. We also here to the case of the allowing and another two tops in the TV bottom right. Do you guys have a quick cure for a sprung back.

HOMECOMING DANCE

On Saturday October 4, the first sign of our Aloha Home coming emerged in our festive crowd of Hawaiians. Everyone had a blast dancing to their favorite songs. The highlight of the evening came with the crowning of our 1986 homecoming court. The success of the Aloha '86 dance sparked enthusiasm in the week to come

SENIOR EXPERIENCE

What exactly is the "Senior Experience"? Since no two people are exactly alike, and each individual senior has had experiences and emotions all of his/her own, to attempt a single definition for a concept as diverse as this would be an impossible task.

For most of us, the senior experience has been a fast-paced trip, yet at times a drawn-out and gruelit. The Not only were attending classes and receiving quality marks a high priority, but we also had to look to the future and prepare for the "smack-in-the-face" we were about to receive from Mr. Reality, himself. Many of us went through the rigors of taking last minute SAT tests, AP exams, choosing a major, searching for finding, and filling out college and scholarship applications, and then sending out those transcripts. Those with jobs, or looking for them, also had to story or their roes. Fortunately there were the much welcomed weekends, the only times a senior could refax a little. How about those longer weekends? Remember the Washington/Lincoln birthdays back-to-back? Remember the fantastic parties? The smaller impromptinger togethers? It was a tager, DI UUITLUI DF! How about those days at the beach, or sking in the mountains or even a trip down into Mexico with a few senior buds? All those experiences made our senior year bearable and even enjoyable.

Being a senior also brought many privileges and extras not collected by the underclassmen. After all only a senior girl can be homecosting queen, only senior guys can be Mr. Valentine, only seniors can write on or be a senior personanty", and only seniors have their very own senior awards assembly, senior awards assembly, senior awards assembly, senior awards assembly, senior awards assembly.

Memories ... remember filling out senior credits for the yearbook? Remember homecoming the sparse week, the parades, the game, the dance? Remember all the wild and crazy times mingled with the day-to-day stogging through classes? Remember those special teachers who made it all come alive for you? You never thought you would actually enjoy that class:

No, we will never forget our senior experience, though merpreted differently by each one of us. The good times, the bad times, the boring times will forever be a part of us. Each will remember and treasure those memories of the class of '97 Long may our futures be bright and filled with Cougar BLUE PRIDE!!!

Dear fellow seniors

We are now at a time when we can make our dreams into realities. We have used this year to discover ourselves and develop our lives so that we may succeed in the future . . . that great unknown future

Don't be afraid- be brave. Don't be doubtful. Every person is special and all our hopes are very real. It's incredible to think of how long we have been together, and now suddenly, our paths are forking, the doors are opening, and we are starting to go our own ways. We have been very close this year, however, we are still individuals and unique. We have strived this year to be our very best. Welcome to your world; it is wonderful. It is an exciting time, and it is ours!

EDIN I Wash and Apple tion the reason of

Being a Senior means never having to say you are sorry

We don't have to bow to anyone, because we run the place. This attitude stems from arrogance and fear. The arrogance results in that we have put in over 12 years to reach this point of eliteness, and the fear comes from the fact that next year, we have to start at the bottom of a whole new game, the game of life During this time of seniority, we live it up, we have to. It is an age-old tradition that even the teachers and administration indulge us in, with special privileges accredited to our semonty. You won't see Mr. Taylor lunching with a lower classman, or Mrs. Campbell favoring a sophomore with her yearbook camera because these are semon privileges!

However, a cloud hangs over the senior class, a cloud that represents the end of an era. Some of us have gone to school with friends since elementary school; now we will be handed a diploma, and we won't see these people anymore. Close friends will stay together, but there are certain faces that one is accustomed to seeing every day, who won't be seen anymore. Many rituals will no longer be practiced, and customs will be forgotten

Even though leaving may be sad, we have to keep in mind, that all our years of school have been in preparation for something bigger and better, LIFE. The friends we leave behind and the customs we will miss will be replaced ten-fold in life. Our best years are ahead of us. They will be filled with careers, family, and the joys of success. High school will always be a fond memory for most of us, but only a small part of life. We are the future. Let's make it even better!

FOOTBALL

Norco's Varsity football team, traditional League champs, and CIF • n lenders, came into the 1986 season with a strong beginning, moving up from a 5th place rating to list place with four consecutive wirs. Then, tragedy struck with several swift blows. Our quarterback, Chris Krizswicki, ritted best in the county, suffered a separated shoulder injury in a game and was out for the season. Sensor Val Lugo came up as a fill in quarterback, but within two weeks, the varsity squad lost five statters to injuries. The Cougars fought to regroup, but were unable to overcome the losses, and consequently, finished the season without going to CIF this year. However, Coach Gary Campbell plans to build on this young team to present a senious threat of dominance once again next year. We will miss the seniots, especially Pas Harlow, top defensive lineman in the counts.

JUNIOR VARSITY

The Norco Junior Varsity football team is looking stronger this year than in several previous seasons. They look to be a senous threat for our varsity squad next year and in 1988. Coach Richard Hiestand, assisted by Coach Jim Christy, has seen this young team develop strongly. They had a good season, tried very hard, and deserve our support

Upper left. The three muskereers share a laugh on game day beater left; the team picture, center right, pre-game catching practice, lower left. Coaches Jun Christy and Richard Hiestand check out the team before a game, lower right. Way to go Rodolpho!

GIRLS TENNIS

Under the leadership of new coach Diane Turner, the 1986 girls tennis team found it to be a tough league we were competing in. With only two returning varsity players, we pulled out just two victories However, this team had many close and caring friendships. With the top two girls returning next year, we will be looking forward to a winning sea sun.

X-COUNTRY GIRLS

The Norco High 1986 cross-country teams garnered laurels again this year as they challenged other Ivy League teams for the championships. The boys' team had an uneven season, but the gals kept the Norco tradition going, that of a tightly-knit group of dominating athletes dedicated to winning every possible race. Coached by Larry Nugent, and assisted by Tammy Nugent, the garls team again took the Ivy League championship. Earning all-league honors were Persephone Lowery, Tina Sanchez, Jennie Higbee, and Tish Bennett. The Norco cross-country garls team took the CIF Championship for the first time this year. Larning All-CIF honors were two sophomores, Persephone Lowery and Tish Bennett. Congratulations 1986-7 Girls X-Country!

Norco cross country girls push for an early lead, center left on Nugent says. Get off that rock, and let a do a few hide "center is he for real or what?", center right. Tish Bennett struggles up. Hearthreak Hill be a Color of the Secretarid triends take five before a race

WRESTLING

Norco High wrestling continues to grow as a popular sport. The combination of agility and strength challenges our young men to train for peak condition as they go up against other tough teams in our matches. The varsity wrestlers, led by the terrible trio, the Curtin brothers, Lance, Chris, and Sean, dominated our league matches, and were an inspiration to the young JV team wrestlers. Coached by Mr. Kent Galloway and Mr. John Doerr; and assisted by Mr. Fairbanks, our Norco wrestlers brought honor to our school in 1987.

ALONE TOGETHER

The pre-holiday offering by the NHS Theatre Company/Drama Club and Thespian Troupe 3883 was well-received by the large audiences during their run from Dec 9 - 13. Alone Together, a comedy dealing with the "returning to the nest" syndrome, and its associated complications, made for a truly enjoyable evening of levity, as the middle-aged, couple, the Butlers, tried to cope with the homing instinct of their three sons. The roles of the parents were played by Tony Masters, and Erinn Fout. Their sons were played by Kirk Scott, Brian Schoeffler, and Stan James. Missy Ringland, in her stage debut, was captivating as the worldly yet innocent imprompto house guest. This play was yet another triumph for drama coach, Ms. Laurel Goodhue

Chronical to protect the action of the way and the standard of the standar
